

ECO COMMITTEE

Update October 2015

Dear Eco Global Gang,

I am sorry that it has taken me so long to get back to you - it has been a busy start to the new school year and I am still waiting for slips back from some people. However so far there is a fairly even split between Tuesday and Wednesday afternoons so this is my plan:

Each half term you can attend whatever sessions you are free for, BUT I need to know in advance AND have your parent's permission on a signed slip 2 days before the session.

Remember, we are NOT meeting every week, these are one-off events each half term to get stuck into some real Eco issues. Mrs Grundy has kindly said she will come and join us which means that we can have more of you at each session.

OUR FIRST ECO SESSION WILL BE NEXT TUESDAY 20TH OCTOBER WHEN WE WILL GO AND PLANT BULBS IN THE PEACE GARDEN AT IMMANUEL CHURCH.

You will need:

- Old trousers and shoes
- A warm coat
- Gloves (if you don't like getting dirty hands - I have a few pairs)
- A drink and snack for after school if you can't last until 4.30pm

Please get the slip back to me by **MONDAY MORNING** if you would like to come along.

Mrs Powell

My child,in class would like to attend the Eco meetings after school on **TUESDAY 20th OCTOBER**.

I confirm that I will be available to collect my child from school at 4.30pm or that they will go to After School Club.
