

## Key Stage 1 - Learning Bites

Dear Key Stage 1 Parents and Carers

We would like offer you a 20 minute "Learning Bite" session each half term to give you a short burst of help to support your child. The sessions would be very informal and would be at about 3.00pm, a time when many of you are already getting ready to pick up your child.

Choose your top 5 "courses" from the Learning Menu. We will find out the most popular requests and we will plan in sessions that can help you and your child as the year goes along. We will give you plenty of notice and look forward to working in partnership with you.

### LEARNING BITE MENU

Learning Bite theme	✓	Learning Bite theme	▼
<b>Phonics</b> - What does segmenting and blending mean to help with reading?		I've only got <b>5 minutes to spare</b> - what can I do in that time to help my child?	
<b>Maths</b> -How do I help my child add up if I can't do it the way I learnt at school?		<b>Writing</b> - My child hates writing, what can I do to get them to pick up a pencil?	
<b>Cursive Writing</b> - I can't do it! How does it help my child?		Have you got any handy hints to help my child in <b>real life maths</b> ?	
<b>Spelling</b> - Tips and tricks for learning spelling patterns and tricky words.		<b>Homework</b> - What can I do to help my child without it always being a battle to do homework?	
<b>Reading</b> - My child is bored of their Home Readers, what can you recommend?		Free choice - write your needs here!	

Thank you in advance.
